

THE SURREY PUB

Sunday Roast Carvery – Terms & Conditions

When it's on

- Every Sunday, 12pm – 2pm
- Last sittings at 1:30pm

Your table - We run a 1-hour seating time so everyone gets a turn at the roast. *Running late? No stress—but your finish time stays the same.*

Bookings - We recommend booking ahead—this one fills up fast. Walk-ins welcome if we've got space. Got a group? Give us a heads-up so we can look after you properly.

How it works - Our team will welcome you and show you to a table once you are ready head up to the carvery and our team will serve you up.

Kids - Kids are absolutely welcome. Just keep them close around the carvery (hot plates + sharp knives)

Dietaries - Got an allergy or dietary requirement? Let us know when you arrive—we'll do our best to sort you out.

Overfilled Plates and Wastage - Please start with a sensible serving — there's plenty more if you're still hungry! We warmly welcome guests back for second helpings and extra trips to the buffet. Any food wastage may attract an additional fee.

Takeaways - This is a dine-in experience—no takeaway containers are permitted.

No-shows & late arrivals - We'll hold your table for 10 minutes, then we may need to pass it on.

The fine print - Be kind to our team and other guests. If someone's had a few too many, we may need to stop service.
